

National Aeronautics and Space Administration, John F. Kennedy Space Center

No. 05-14 April 8, 2005

Published weekly under the provisions of KMI 1590.2. Submit items to KSC Bulletin using the Online Request form.
All notices contained herein must comply with the nondiscriminatory principles of the Federal Equal Opportunity Program.
Advertised items must be available without regard to race, color, religion, sex, age, national origin, or disability.
URL: <http://kscbulletin.ksc.nasa.gov/>

DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS WEDNESDAY, 9 A.M.

OFFICIAL

FLAGS AT HALF STAFF: The flags of the United States flew at half staff on April 1, 2005 at the Kennedy Space Center in honor of Beverly A. Greene, a Material Expediter with United Space Alliance. Ms. Greene died on March 26, and her funeral was April 1. (TA-G)

FLAGS AT HALF STAFF: The flags of the United States flew at half staff at the Kennedy Space Center from April 2 through April 8, by direction of the President, as a mark of respect for His Holiness Pope John Paul II. (TA-G)

REPORTING EMERGENCIES: To report any emergency on KSC, whether it is fire, security, or medical related, (including possible hazardous commodity exposure); dial 9-1-1 or 867-7911 from a cell phone. For walk-in type first-aid treatment, the Occupational Health Facility is open Monday - Friday from 7:00 am to 5:00 pm, and the Launch Area Clinic is open Monday-Friday 7:00 am to 3:00 pm. Hours other than those, call 911 for emergencies and/or first aid type treatment. **After normal working hours, the non-emergency medical related assistance will be coordinated through the 9-1-1 operators.** (TA-G)

INSPECTOR GENERAL: The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at www.hq.nasa.gov/office/oig/hq. (OIG)

NASA SHARED SERVICES CENTER COMMUNICATIONS: NASA is conducting a competition for the operation of the NASA Shared Services Center (NSSC). Source selection is scheduled for late May of this year. The Procurement Integrity Act prohibits disclosing proposal or source selection information during a competitive procurement. A notice of the "communications blackout" for the duration of the NSSC competition was distributed to all NASA Centers when the solicitation was issued in September of 2004. NASA personnel are reminded that they have a responsibility to refrain from discussing this acquisition and that they should direct all inquiries involving this procurement to the Contracting Officer, James L Becker, Procurement Analyst/Contracting Officer, Phone (202) 429-8433. Legislative and media communications regarding the competition should be coordinated with the Headquarters Office of Legislative Affairs and Office of Public Affairs. (OP-AM)

MESSAGE THERAPY: Massage Therapy available Tuesday - Friday, 10:00 am - 4:00 pm, room 1023, O&C Building. To schedule an appointment contact Valerie, (L.M.T. #19362) at 867-4762 or JaramVS@kscems.ksc.nasa.gov. \$1.00 per minute/packages available. Gift certificates also available. (TA-C2)

ENVIRONMENTAL & ENERGY AWARENESS WEEK CELEBRATION - APRIL 2005: The annual KSC Environmental & Energy Awareness Week activities will take place on April 20-21, 2005. This year we are celebrating Earth Day's Anniversary, and our theme is "Progress and Challenges since the initial Earth Day Celebration in 1970." We have over 35 exhibitors, 6 tours, and 15-20 alternative fueled vehicles on display. On April 20 at 11:00 am. we will be in front of the O&C Building and end at 2:00 pm and on April 21 at 10:00 am we start again at the VAB Area and end around 2:00 pm. We look forward to your presence at the EEAW event. Come out and join in the fun! Learn how you can help preserve our environment and conserve energy at the Kennedy Space Center. Check out our website at <http://eeaw.ksc.nasa.gov/> for details on our daily schedule. (TA-C3)

ENVIRONMENTAL & ENERGY AWARENESS WEEK (EEAW) CAR SHOW - 4/20 & 4/21: EEAW would like to display cars and trucks from the past 35 years at this year's 35th Anniversary of Environmental & Energy Awareness Week celebration. We are looking for employee's that drive alternative fuel vehicles to display them during the week of April 18th. You have the real world experience of how your car drives; how much fuel you are saving each week; the true experience of your hybrid, electric, CNG, Propane, diesel or even grease vehicle. The displays will be at the O&C Building (front parking lot) on April 20 and in the VAB Parking Lot E on April 21, 2005. You can sign up for both or either locations to display your vehicle. Volunteers will need to have their manager's permission to be on site during the display. If you can not be present during the display, but still would like to display your vehicle that will be allowed. We would like to display as many new technology vehicles as possible; i.e., hybrids, electric, bio-diesel, grease, alternative fuel vehicles that are helping the environment. We are also looking for those vehicles that depict how we have improved through the years. Example: Mustang Mac1 vs. today's Mustang, old hybrid vs. new hybrids, older models of today's new version. Join us by participating in this year's celebration displaying your vehicle! If you're interested, please contact Bruce Chesson, NASA Transportation, at 867-8635. (TA-E1)

ENVIRONMENTAL & ENERGY AWARENESS WEEK CAR SHOW - 4/20 & 4/21: Check out the alternative fueled vehicles on display at the Environmental & Energy Awareness Week activities on April 20 & 21. You will see electric low speed vehicles, compressed natural gas and the home "Phill" unit, bi-fuel vehicles (which consists of natural gas and unleaded fuel), flex fuel vehicles (which consists of unleaded and ethanol), hybrids (which is unleaded and electric), and some grease vehicles (which operates on used grease or cooking oils). Global Electric Motorcars LLC and e-ride Industries will be here along with employees who have signed up to display their vehicles and share their real world experiences with you, educating you about alternative fuels and how everyone can help preserve the environment. We are looking forward to your presence at the EEAW event. Watch for future articles and join in the fun! Checkout our website for <http://eeaw.ksc.nasa.gov/>
POC: Environmental & Energy Awareness Group/TA-C3/867-8413/867-8452. (TA-C3)

ENVIRONMENTAL & ENERGY AWARENESS WEEK EXHIBITORS- 4/20 & 4/21: Check out what the exhibitors will be displaying at their tables on April 20 & 21 during Environmental & Energy Awareness Week activities:

Boeing will have a static display on their accomplishments and what they are working on at KSC. Point-of-contact: Scott Scrupski.

Brevard County Environmentally Endangered Lands (EEL) Program will focus on the conservation lands in Brevard and the recreational opportunities these lands provide the public. Several information publications will be available, as well as an opportunity to win an EEL T-shirt.

Brevard County Natural Resources Management Office will talk about two opportunities that all residents/employees can become aware of or get involved in to protect habitats and wildlife (non-native invasive plant identification and control (educational materials) and the monofilament recovery and recycling program). They will also talk about their programs, environmental education, natural communities' surveys, beach restoration, dune vegetation, marine turtle lighting, and herbarium. Point-of-contact: Paula Berntson and Kari Ruder.

Brevard County Solid Waste Management will show solid waste services that include recycling, household hazardous waste disposal, sharps disposal, etc. Point-of-contact: Pam Shoemaker

Brevard County Space Coast Area Transit will display information on their vanpool services and carpool information; matching services; less pollution and less traffic on the road. Point-of-contact: Judy Lewellen.

CHS/Environmental Health Services will display environmental compliance and public health (EC&PH); industrial hygiene; and health physics. Point-of-contact: Laura Sardella.

Delaware North Parks and Resorts will feature their GreenPath program and have examples of recycled content products they sell in the stores and give away pencils made from recycled materials. Point-of-contact: Sue Larson.

Dynamac/NASA's Life Sciences Service contract will have a unique assembly of current environmental program activities focused on wildlife, plants and aquatic studies at KSC. Come and learn about KSC's environmental and how it relates to your home and work. Point-of-contact: Carlton Hall.

Environmental Management Systems will give you an awareness of the new SharePoint Environmental Management System (EMS) and their website; provide handout and pocket cards; and additional information that relates to EMS to the KSC work environment. Point-of-contact: Gail McLean.

e-ride Industries is a manufacturer of full-sized neighborhood electric vehicles. e-ride's zero exhaust emission electric vehicles help conserve earth's precious natural resources in many ways. One example of this is that the power used to create the electricity to charge electric vehicles creates less than 1/20th of the pollution that a comparable gas powered vehicle would produce. Point-of-contact: Craig Lietha.

The Friends of the Enchanted Forest will educate you concerning the neighboring 400 acres of the Enchanted Forest Sanctuary, just west over the river to the northeast side of US1 and 405, with an emphasis on their educational programs, habitats flora and fauna, and environmental volunteer opportunities. Point-of-contact: Martha Pessaro.

Florida Power and Light will showcase FPL's commitment to preserving sensitive lands and threatened/protected species in Florida and throughout their service territory; hand out environmental brochures that highlight each individual species that is threatened and/or protected in Florida. The brochure will offer information about each animal and offer ways for people to help in their protection. Point-of-contact: Sheri Bashwiner/Joyce Collins.

Fly By Night is a program that consists of slides depicting the KSC bat species, live bats (native Florida bats and an African straw-colored flying fox bat) and a question and answer session. A finished bat house like the two installed at KSC will be displayed and plans made available. Point-of-contact: Laura Seckbach Finn.

Global Electric Motorcars will have one or two low speed street legal all electric vehicles. Point-of-contact: Lenny Szabo.

Hotspray Industrial Coatings specializes in 100 percent solids, high build, flexible, environmentally-friendly polyurea, polyurethane coatings and caulking. They also spray urethane foams used for energy savings. Point-of-contact: Lyle Cummings.

NASA/Affirmative Procurement will show some posters and hand out information packages, etc. Point-of-contact: Janice Everett.

NASA Recycling will show what KSC recycles. Point-of-contact: Alice Smith.

NASA Recycling and Affirmative Procurement Principal Center will display the Agency's data for recycling and buying recycled items for years 1998-2004. Freebies and other treats will be handed out. Take a chance and play a game on guessing the amount of pounds of white paper only that KSC recycled last year. The closest guesser for each day will win a unique prize. Point-of-contact: Adrea Dempsey.

NASA Transportation Office will display alternative fueled vehicles. Point-of-contact: Bruce Chesson.

RMK Inc will show you how Zentox "Clean Streams" Ozone systems for cooling towers will eliminate chemical treatments of cooling towers, conserve millions of gallons of water a year and optimize energy performance. Point-of-contact: Richard Krauss.

Rockledge High School will display their recycling programs. Point-of-contact: Lisa Pinkston.

Space Coast Clean Cities Coalition will display alternative fueled vehicle technology for energy conservation and clear air transportation. Point-of-contact: Bill Young.

Space Gateway Support is the facilities operations contractor and prime source for energy savings at KSC will display pictures of their recent energy projects, show ideas for saving energy at home and work and hold a contest, Guess KSC's April Bill from FPL. Point-of-contact: Kevin Riley.

Space Gateway Support/Property Disposal will provide information on the following: Environmental policies for disposal of property; computer for learning information www.computers.fed.gov CFL number: 1-866-806-7767; recycle process handout; examples of turn-ins (i.e., commercial descriptions, computer hard drive policies, etc.) 1602s and KSC Form 7-49; posters (recycle/CFL); KSC sales information <http://surplus.ksc.nasa.gov> Sales Information Line: 321-867-7605. Point of-contact: Dave Koval.

United Space Alliance will display information on e-waste (old computers, cell phones, etc.) and how to dispose of it properly. Photographs of USA Environmental Management involved with different environmental programs. Point-of-contact: Allison Moree.

US Air Force (CCAFS) will display board, specimens, pamphlets, freebies, slid show on laptop. Point-of-contact: Martha Carroll.

Waste Pro USA will display photo graphics and literature about waste collection and recycling services. www.wasteprousa.com. Point-of-contact: Bob Hyres.

Watershed Action Volunteers will model activities related to storm water runoff, Indian River Lagoon, and water conservation. Point-of-contact: Carole McCauley. (TA-C3)

KSC WELCOMES DR. ROSS MCCLUNEY AND MS. LAURILEE THOMPSON AT EAW KICKOFF/BREAKFAST CELEBRATION – 4/20:

Come listen to Dr. Ross McCluney from the Florida Solar Energy Center and Ms. Laurilee Thompson, founder of the Space Coast Birding and Wildlife Festival speak at the EAW Kickoff Breakfast on Wednesday, April 20, at 8:30 a.m., in the SSPF Cafeteria. Earth Day is celebrating 35 years! The theme this year is "Progress and Challenges since the initial Earth Day celebration in 1970." You must purchase a ticket for the breakfast. Ticket sales run through April 12. You can purchase tickets from: Kim Osgood @ HQ - 867-2518; Catherine Hope @ O&C - 867-3056; Scott Scrupski @ SSPF - 867-8105; Allison Moree @ ARF - 861-8063; Steve Geis @ Visitor Center - 449-4268; Martha Pessaro @ PRF - 867-5405; and Laura Sardella @ EHF - 867-3556. Breakfast will include fresh fruit, assorted low fat muffins, bagels, Danish, OJ, and coffee. We look forward to your presence at the EAW event. Information about the event can be found at our website <http://eeaw.ksc.nasa.gov/> POC: Environmental & Energy Awareness Group/TA-C3/867-8413/867-8452. (TA-C3)

FEDERAL EMPLOYEE WORK-RELATED INJURY: Federal employees are reminded that they are responsible for notifying their supervisors and seeking first-aid care from the KSC Occupational Health Facility for any injury which occurs on the job. For more information, contact Jeanine Meister at 867-8229. (TA-C2)

KSC FITNESS CENTER: Are you aware of the wonderful services offered at the **KSC Fitness Centers (O&C & OSB facilities)**, all available at no charge to any KSC employee? They include consultations, fitness assessments, body composition, and personal training. In addition to those services, we also offer group fitness classes at the **O&C facility**. A new **Group Fitness Class Schedule** will begin **April 11th** and will run through **July 1st**. We offer classes ranging from traditional aerobic and resistance training to classes such as yoga, Pilates, and yoPalates. Our classes are perfect for the beginner, as well as for the more advanced exerciser. Copies of the Group Fitness Class schedules will be available at both the **O&C** and **OSB** facilities, as well as our website. Please visit our website at <http://lssc.ksc.nasa.gov/fitness/>, for more information about our facilities, staff, and free services that we provide. **Let our friendly staff help you get started on fulfilling your goals today!** (TA-C2)

KSC/CCAFS HEALTH EDUCATION & WELLNESS PROGRAM:

Website: <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmed/home/index.cfm?page=hew>

April 2005

Alcohol Consumption Awareness Month

Alcoholism has become an epidemic in the United States. One in every 13 adults abuses alcohol or is considered alcoholic. Nearly 18 million Americans have an alcohol problem. Moreover, alcoholism negatively affects one's family life, work relationships and productivity, health and well being, and may even result in permanent injury or death. April has been deemed Alcohol Awareness Month by the NCADD and NIAAA. This month's packet is on alcohol awareness. The packet is available on the HEWP website: <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmed/home/index.cfm?page=hew#MonthlyTopic>

Hardcopies of the packets will also be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414.

****HEALTH EDUCATION INFORMATION TABLE****

The monthly health education table will be set up in the O&C cafeteria on April 7th from 11:00 am to 1:00 pm where HEWP staff will distribute alcohol awareness information.

**** Remaining 2005 CARDIOVASCULAR DISEASE (CVD) SCREENING SCHEDULE****

Date	Place	Time
Wednesday, April 13 th	OHF	7:00-8:00 am
Thursday, April 14 th	LAC (MFF)	7:00-8:00 am
Wednesday, May 18 th	OHF	7:00-9:00 am (2 hrs)
Wednesday, June 15 th	OHF	7:00-8:00 am
Thursday, June 16 th	LAC (MFF)	7:00-8:00 am
Wednesday, July, 13 th	OHF	7:00-9:00 am (2 hrs)
Wednesday, August, 17 th	OHF	7:00-8:00 am
Thursday, August 18 th	LAC (MFF)	7:00-8:00 am
Wednesday, September, 14 th	OHF	7:00-9:00 am (2 hrs)
Wednesday, October, 12 th	OHF	7:00-8:00 am
Thursday, October 13 th	LAC (MFF)	7:00-8:00 am
Wednesday, November, 16 th	OHF	7:00-9:00 am (2 hrs)
Wednesday, December, 7 th	OHF	7:00-8:00 am
Thursday, December 8 th	LAC (MFF)	7:00-8:00 am

OHF – Occupational Health Facility (M6-495, Industrial Area @ KSC)

LAC (MFF) – KSC Launch Area Clinic (Multi-Functional Facility @ KSC)

The 2-page CVD questionnaire can be picked up at any medical facility. The questionnaire can also be downloaded from the SGS home page/forms: <http://ksbcoc-forms/KSCForms2/ref/KSC28-1010.itr>. This form can be filled out on-line and then printed. Please print each page separately. You must fast for 12 hours prior to coming to the screening (nothing but water).

***NEW* NUTRITION EDUCATION FOR WORKERS AT THE SPACEPORT (N.E.W.S.) PROGRAM**

The N.E.W.S. program was created to educate workers at the spaceport about nutrition. The program includes a comprehensive website with an e-mail mechanism to ask nutrition questions, monthly lectures, and special events. Check out the NEWS website at <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmed/home/index.cfm?page=NEWSProgram>

MARCH N.E.W.S. PROGRAM WORKSHOP

The fourth nutrition workshop for the newly developed N.E.W.S. (Nutrition Education for Workers at the Spaceport) program will be on Child and Adolescent Nutrition and will be held on Wednesday, April 27th from 11:30 am to 12:30 pm in the OSB, Room 6320.

N.E.W.S. program workshops will be held the 4th Wednesday of each month (with the exception of November & December) from 11:30 am-12:30 pm with alternating locations between the O&C (KSC Industrial Area) and OSB (KSC Launch Area) buildings. See the NEWS website for the entire year schedule.

STRESS MANAGEMENT WORKSHOP

Any employee group can request delivery (at any time of the year, during the workday) of a newly developed, interactive workshop designed to teach employees how to handle stress at their workplace and in their lives. The workshop can be condensed to 30 minutes or extended to more than an hour for optimizing coping and relaxation skills.

Kris Calderon, PhD, CHES, BCIAC, KSC/CCAFS Health Education Administrator will be offering this workshop. Kris is certified in biofeedback and has used relaxation training for stress management in her teaching, service, and research. If interested, please contact her at 867-3414 or e-mail at Kristine.Calderon@jbsoc.ksc.nasa.gov for more information. The workshop can be delivered in any worksite setting.

APRIL VISION SCREENING SCHEDULE

No appointment is necessary. Visit the OHF during this time and ask for a vision screening.

Tuesday	April 12	11:00 am-1:00 pm
Tuesday	April 26	11:00 am-1:00 pm

COLORECTAL CANCER SCREENING

Small amounts of blood in your stool, which can be detected with hemoccult slides, can be an indication of colorectal cancer. Hemoccult slides and instructions are available at all medical facilities during hours of operation.

WORKSITE LECTURES

Work-site lectures on any health subject and requests for health information or counseling are available upon request to Kris Calderon, phone: 867-3414, e-mail: **Kristine.Calderon@jbosc.ksc.nasa.gov**. (TA-C2)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Force Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 am to 4:00 pm. Appointments may be made by calling 867-7398. (TA-C2)

KSC LIBRARY NEW BOOKS: The following new books are available for loan from the KSC Library. If you need any information, please call 867-3600, visit the Library in HQ, Room 1301, or e-mail to **KSCLibrary@jbosc.ksc.nasa.gov**

7 Habits of Highly Effective People, #768553, 768461
Barriers and Accident Prevention, #769056
Colloids and Interfaces with Surfactants and Polymers, #769205
Digital Lighting & Rendering, #769221
Highlights in Space 2003, #769080
Lost Knowledge: Confronting the Threat of an Aging Workforce, #769049
Managing Scientists: Leadership Strategies in Scientific Research, #768991
Mold Survival Guide for Your Home and for Your Health, #768967
Outdoor Human Comfort and its Assessment, #768959
Patent and Trademark Information: Uses and Perspectives, #769015
Patents: Ingenious Inventions: How They Work and How They Came to Be, #768942
Piping Calculations Manual, #768926
Rocket Science: Rocket Science in the Second Millennium, #769064
Space in Science, Art and Society, #769098
Structural Engineering Formulas, #768975
System Safety for the 21st Century, #769023
What Every Manager Should Know About Training, #769106

The following new reference books are available for use in the HQ Library, Room 1301, and are not available for loan:

Clementine Atlas of the Moon, #769072
Encyclopedia of Chemical Technology (Vol. 10), #768538
Encyclopedia of Chemical Technology (Vol. 11), #768546

To search the Library's on-line catalog go to: <http://nasagalaxie.larc.nasa.gov/>
For questions, call 867-3600 or mailto: **KSCLibrary@jbosc.ksc.nasa.gov**

KSC LIBRARY NEW DOCUMENT: A new document, NSTS-60543, "System Integration Plan for Prelaunch and Ascent Debris Certification", has arrived at KSC for distribution. If you are interested in getting on distribution for this document and future updates, please contact the KSC Library in writing at Mailcode: Library-D or by e-mail: **KSCLibrary@jbosc.ksc.nasa.gov** Please respond within one week of this announcement with, your name, mailcode and phone number. Please allow approximately two weeks for delivery. This document is also available electronically at URL: <http://sspweb.jsc.nasa.gov/webdata/pdcweb/subdocs.htm>

KSC LIBRARY NEW DOCUMENTS: The following documents are available for loan from the KSC Library Documents, Specifications and Standards Department, HQ Room 1124, or by calling 867-3613.

DOD-6055.9-STD: DOD Ammunition and Explosives Safety Standards - 2004
NASA-SP-4605: Of Ashes and Atoms: The Story of the NASA Plum Brook Reactor Facility (DVD)
NASA-TM-211534: Final Report on the Airborne Field Mill Project (ABFM) 2000-2001 Field Campaign
NASA-TM-212698: On-Board Chemical Propulsion Technology
NASA-00362: Interpreting the International Space Station Microgravity Environment
NASA-00363: Conceptual Design and Dynamics Testing and Modeling of a Mars Tumbleweed Rover
NASA-00364: Using Wind Driven Tumbleweed Rovers to Explore Martian Gully Features
NASA-00465: Entry, Descent, and Landing Operations Analysis for the Genesis Re-Entry Capsule
NASA-00366: Analysis of In-Space Assembly of Modular Systems

KSC LIBRARY NEW DOCUMENTS: (Continued)

NASA-00367: Ideas Into Hardware: A History of the Rocket Engine Test Facility at the NASA Glenn Research Center
NASA-00368: Bond Testing for Effects of Silicone Contamination
NASA-00369: Technology Challenges for Deep-Throttle Cryogenic Engines for Space Exploration
NASA-00370: Thermal-Structural Optimization of Integrated Cryogenic Propellant Tank Concepts for a Reusable Launch Vehicle
NASA-00371: Cryogenic Insulation Bondline Studies for Reusable Launch Vehicles
NASA-00372: Estimates of the Orbiter RSI Thermal Protection System Thermal Reliability
NASA-00373: The Impact Imperative: A Space Infrastructure Enabling a Multi-Tiered Earth Defense

To search the Library's on-line catalog go to: <http://nasagalaxie.larc.nasa.gov/>
For questions call 867-3613 or mailto: KSCLibrary@jbosc.ksc.nasa.gov

LEARNING ABOUT FIRE PREVENTION CAN PREVENT THAT BURNED OUT FEELING.

UNOFFICIAL

CAFETERIA MENU FOR WEEK OF APRIL 11-15

Monday	Tuesday	Wednesday	Thursday	Friday
Soup: Navy Bean Soup Carb Conscious Combo Shepherd's Pie and Sautéed Zucchini & Yellow Squash Blue Plate Special Open Faced Turkey, w/ Dressing, Mashed Potatoes, & 16 oz. Fountain Beverage, \$4.00	Soup: Smoked Sausage & Chicken Chowder Carb Conscious Combo Three Cheese Chicken Bake and Green Beans with Red Pepper Strips Blue Plate Special Salisbury Steak w/Gravy, Mashed Potatoes, Vegetable of the day & 16 oz. Fountain Beverage, \$4.00	Soup: Knickerbocker Bean Soup Carb Conscious Combo Sausage, Beef and Cabbage Goulash and Mushroom Casserole Blue Plate Special Southern Fried Chicken, Garlic Potatoes, Vegetable of the day & 16 oz. Fountain Beverage, \$4.00	Soup: Cream of Potato Soup Carb Conscious Combo Chicken Ham Bake and Steamed Broccoli Blue Plate Special Veal Parmesan with Spaghetti Marinara, Garlic Bread & 16 oz. Fountain Beverage, \$4.00	Soup: Seafood Bisque Carb Conscious Combo Broccoli Chicken Casserole and Baked Spinach Blue Plate Special Fried Cat fish, French Fries, Vegetable of the day & 16 oz. Fountain Beverage, \$4.00

Assorted vegetables, salads, desserts, and beverages available daily. Soup: bowl \$1.40/cup \$0.80. Each day a "Price Value Meal" or "Grill Price Value" is available and will be posted in each cafeteria. La Pomadora: A variety of Pizza, Stromboli, Calzone or Pasta is available daily.

SAFETY TIPS FROM OUR GOOD FRIENDS AT UF: We @ KSC are guests in the realm of the alligator.

Alligators are most active this time of the year, seeking mates and establishing their territories.

Please "Don't Feed the 'Gators" can mean more than offering them handouts, it can mean your Safety. @ KSC, please call 867-2121 to report alligator concerns.

Please adhere to some reminders from our friends @ UF:

DON'T - Kill, harass, molest, or attempt to move the animal. State law prohibits such actions, and the potential for being bitten or injured by a thrashing alligator is **HIGH**.

DO - call 867-2121 @ KSC to report alligator concerns, or if off center a regional office of the Game and Fresh Water Fish Commission. The Commission will evaluate your report and, if necessary, contact a licensed agent of the Commission and instruct him to remove the animal.

Florida contains approximately 7,500 freshwater lakes and tens of thousands of acres of marsh and wooded swamp. Many of these areas attract people for a variety of water-related activities, including swimming, skiing, fishing and hunting.

SAFETY TIPS FROM OUR GOOD FRIENDS AT UF: (Continued)

To ensure the time you spend in or around water does not result in conflicts with alligators:

DON'T - swim outside of posted swimming areas or in waters that might contain [large alligators](#).

DO - swim with a partner within all marked swimming areas. These areas are specifically situated and designed to reduce potential alligator/human conflicts.

DON'T - swim at night or dusk when alligators most actively feed.

DO - use ordinary common care. Swim during daylight hours. Avoid areas with thick vegetation along shorelines; these areas provide good natural habitat for large alligators.

DON'T - feed or entice alligators. Alligators overcome their natural shyness and become accustomed or [attracted to humans](#) when fed.

DO - inform others that feeding alligators is a violation of state law and that by feeding alligators, people create problems for others who want to use the water for recreational purposes.

DON'T - throw fish scraps into the water or leave them on shore. Although you are not intentionally feeding alligators, the end result is the same.

DO - dispose of fish scraps in garbage cans situated at most boat ramps or fish camps.

DON'T - allow pets to swim near waters known to contain large alligators or in designated swimming areas with humans. Dogs suffer many more attacks than humans, probably because dogs more closely resemble natural prey items of large alligators.

DO - swim your pets in areas not inhabited by large alligators. Keep your pet away from areas of heavy vegetation, and maintain your dog within command distance.

The whole article can be accessed @ <http://agrigator.ifas.ufl.edu/gators/#humans>

KSC TOASTMASTERS: Space Center employees are constantly in the public eye and in situations which require them to represent the United States Space Program. Employees are encouraged to develop their communication and leadership skills to meet this challenge. Toastmasters International is a professional, multi-level training program for both beginning and advanced education in the critical skills of "listening, thinking, and speaking"—all important tools in both the work environment and your personal lives. NASA has recognized this by reimbursing civil servants for the cost of training. For more information on the Toastmasters organizations and the three different locations/dates for training sessions at KSC and CCAFS, contact Mike Schnoke, Jack Jamba, Bill Cleaver, or Nona Mamaradlo at 784-7502.

KARS: KARS Ceramics, Art and Craft Club meets at KARS Park I. Come join us and learn a new craft. Open to all KSC workers and families. Club meets at 7:30 pm, first Thursday of each month. For more information, call Geri Bloomquist, 783-0403.

MERRITT ISLAND NATIONAL WILDLIFE REFUGE VISITOR CENTER TOUR - 12:45 PM ON 4/20 AND 12:00 NOON ON 4/21: The Merritt Island National Wildlife Refuge is an overlay of KSC and was established in 1963. The primary purpose of the Refuge is providing habitat for migratory birds and endangered species. The Refuge provides a place for people too. The Visitor Center is an interesting place to begin your refuge visit, as it contains exhibits, movies trails and more. During your tour, you will visit the Center, go on a hike, and learn more about the refuge and some of its wild creatures. Departure for the tour will be from the Environmental and Energy Awareness Week (EEAW) Welcome Tent at 12:45-2:15 on April 20 and 12:00-1:30 on April 21. We will be in front of the O&C Building on Wednesday, April 20, and at the VAB Area/Parking Lot E on Thursday, April 21. Permission from supervisor is needed, space is limited. To participate, contact Shannah Trout at 867-8443.

SPACE LIFE SCIENCES LABORATORY (SLSL) TOUR- PHYTOTRON LAB AT 10:30 AM ON 4/20 (WEDNESDAY ONLY): Explore the new Space Life Sciences Laboratory on Wednesday, April 20, in celebration of Environmental and Energy Awareness Week (EEAW). The SLSL has been in operation for about 18 months and is responsible for maintaining a large portion of the life science research at KSC. A significant part of the SLS lab is the phytotron area (phytotron means "plant instrument") which supports ground and flight research pertaining to the study of plants. Plants are being considered as a key component of bioregenerative life support system to provide both fresh food supplementation to the crew on long duration missions as well as a major part of a life support mission where plants will provide oxygen, CO2 removal, water purification, and food. Come see the many aspects of plant research that are actively being performed including environmental responses, crop evaluations, alternative lighting (LEDs), and microbial interactions. Guests entering the facility will have to sign in and don a SLS lab visitor badge and return the badge when they leave. The tour will meet at the EEAW Welcome Table in front of the O&C Building at 10:30 a.m. Permission from supervisor is needed, space is limited. To participate, contact Shannah Trout at 867.8443.

SCRUB JAY TOUR IN CELEBRATION OF EEAW - 11:30 AM ON 4/20 (WEDNESDAY ONLY): The lands of the Kennedy Space Center provide one of the last strongholds for the Florida Scrub Jay. This colorful and gregarious bird is losing ground as Florida's scrub lands are developed. During the field trip held on April 20, in celebration of Earth Day, one of our Refuge personnel will show you Scrub Jays up close and discuss how KSC lands are managed for this threatened species. Wear comfortable walking shoes (no sandals please) and it is advisable to bring sunscreen, bug spray, and a hat. Meet at the Environmental and Energy Awareness Week (EEAW) Welcome Table in front of the O&C Building at 11:30 a.m. If you attended the tour last year, please give others a chance to see the Florida Scrub Jay. Permission from supervisor is needed, space is limited. To participate, contact Shannah Trout at 867.8443.

COLORS OF NATURE, MERRITT ISLAND NATIONAL WILDLIFE REFUGE: The richness and beauty of the Merritt Island National Wildlife Refuge can be viewed in a new series of paintings presented by the Central Florida Plein Air Artists (CFPAA). The upcoming exhibition, "Colors of Nature,

[COLORS OF NATURE, MERRITT ISLAND NATIONAL WILDLIFE REFUGE:](#) (Continued)

Merritt Island National Wildlife Refuge", showcases works in oils, acrylics, watercolors, and pastels, painted on site within the refuge. The show will be held until April 29, 2005 at the Merritt Island National Wildlife Refuge Visitor Information Center, State Rd. 402 (5 miles east of US 1) in Titusville, Florida. Exhibit hours are Monday-Friday, 8:00 am. to 4:30 pm., weekends 9:00 am.-5:00 pm. (Visitor Center is closed on Sundays in April)

For three months members of Central Florida Plein Air Artists have been recording the wonders of the refuge. The artists have interacted with the environment in all weather conditions to capture the constantly changing light and shadows, colors, cloud formations, birds and wildlife, vistas and waterways. From sunrise to sunset the public has had an opportunity to view the artists at work. Now these paintings will be on display at the Visitors Center.

CFPAA is dedicated to presenting and recording, through their paintings, Florida's fast disappearing natural environment. The artists meet at least once a week to paint in various locations throughout Central Florida. The artists also join other plein air painters in Florida and across the nation whenever possible. Artists are welcome to join in these paintouts.

[TRASH BASH:](#) Join us for the 21st annual trash bash in 2005! Merritt Island National Wildlife Refuge in conjunction with Keep Brevard Beautiful, our local chapter of Keep America Beautiful, will host a volunteer cleanup on Saturday, April 16, 2005. Volunteers should meet at the Refuge Visitor Center by 8:00 am, the cleanup will end at 12:00 pm. Bags, latex gloves, and a limited number of trash grabbers will be provided. We recommend wearing a long-sleeved shirt, long pants and closed sturdy shoes. If available bring trash grabbers. After the cleanup, the volunteers will receive free pizza, soda, and giveaways! Please call ahead and make reservations at 321-861-0668/0667. Hope to see you there.

The Merritt Island National Wildlife Refuge is located on State Road 402, which is 5 miles east of US 1 in Titusville.

[NASA EXCHANGE:](#) Stores are open Monday through Friday. HQ 7:00 am-4:30 pm, OSB 7:00 am-5:15 pm, O&C 8:00 am-4:00 pm and SSPF 8:00 am-4:00 pm. Visit our web page at <http://nasaexchange.ksc.nasa.gov> for more information.
